

Script for fun email training video – don't click on attachments!

Written by: David S. Cohen

The players:

Phreddy the Phisher - the villain - A slippery character, looks innocent... ..almost.

Amelia N. Bochs - Email Detective - dressed in business casual, but with a deerstalker (Sherlock Holmes style) hat, magnifying glass, and whistle.

Gilbert "Gil" Ubble - the victim - Shirt and tie - generic employee, uses a comb.

The Announcer - your basic omniscient, unseen, voiceover.

Concept:

Phreddy the Phisher is up to his nefarious tricks. He's sending nasty phishing emails to unsuspecting employees of Big Bank Inc.

Gil Ubble, is a capable employee, but a little too eager when it comes to emails that are too good to be true.

Luckily, Amelia N. Bochs is hot on Phreddy's trail and is able to intervene in the nick of time when Gil makes a mistake.

Episode 1: It came from outside!

[Fast intro: Title card with Amelia N. Bochs's headshot and the words "The adventures of Amelia N. Bochs in..."]

Announcer: The adventures of Amelia N. Bochs in...

[newspaper spins in, Newspaper headline: "It came from outside!"]

Announcer: It came from outside! [musical sting]

[open on Phreddy the Phisher in his computer lair]

PP: I'll infiltrate this company if it's the last thing I do! But how...

[snaps fingers, sits down at computer and starts typing while talking]

PP: Dear Associate, you've been selected to participate in a prestigious leadership...
[zoom in on words being typed]

[zoom out from words - which are now in Gil Ubble's email reader, voice has cross-faded to Gil speaking]

GU: Hey check this out Amelia, I've been selected for a prestigious survey... Say, what brings you here to the office.

[shot widens to include Amelia in the frame]

ANB: I'm hot on the trail of that menace, Phreddy the Phisher [musical sting]

ANB: What's that about a survey Gil?

GU: You're old pal Gil is really getting noticed. It says here the leadership team wants MY help. All I have to do is click this link...

[Exaggerated slow motion of Gil's hand heading towards the mouse]

[Phreddy's eyes pop up from behind a computer screen and act shifty]

[shrill whistle sound, Amelia is blowing her whistle]

ANB: Stop! Think! Don't Click That Link!!

[Quick take of Gil shocked]

GU: But why?

ANB: e-mail-ementary my dear Gil. [pulls out magnifying glass]

ANB: Look at this. [shot view through magnifying glass showing part of email saying "*** EXTERNAL EMAIL ***"]

GU: That's not from our domain. Why it... IT CAME FROM OUTSIDE! [musical sting]

GU: So I guess this wasn't from our leadership team?

ANB: I'm afraid not. In fact, this has the fingerprints of...

[Amelia lunges into the computer screen and pulls out Phreddy who is handcuffed to her wrist]

ANB: ...Phreddy the Phisher all over it.

Announcer: Don't be like Gil Ubble - Think quick before you click.

Announcer: You too can be an email detective like Amelia N. Bochs. Just look for the clues.

ANB: Is it an external email - if so, it will be marked. And always ask... Do you know the sender?

GU: Did you request the info?

ANB: Were you expecting a request? And...

PP: Is it to good to be true? [evil laugh]

ANB: Quiet you! [yanks Phreddy off screen]

Announcer: Tune in next time to hear Amelia N. Bochs say...

ANB: Looks like you're attached to danger [musical sting]
